# The Story of How a Typical Catholic Parish Became an International Model

## MSGR. THOMAS MCGREAD

- ◆ Renowned stewardship pioneer
- ◆ Former pastor of St. Francis of Assisi in Wichita, Kansas
- ◆ Longtime Advisor to Catholic Stewardship Consultants until his passing in April 2013

The late Msgr. Thomas McGread is often called the “Father of Stewardship.” At this one-of-a-kind conference, we share the remarkable story of how stewardship transformed Msgr. McGread’s parish — St. Francis of Assisi in Wichita — and how it has impacted other parishes across the country.

This conference, for both clergy and lay leaders, will provide a setting for you to discover how to teach your parishioners to become better Christian stewards. Come see where it all began.

Beginning in the 1960s, Msgr. McGread built one of the most vibrant parishes in the country by teaching parishioners how to use their personal gifts, or what he called “time, talent, and treasure.”

Msgr. McGread was influential in the drafting of the United States Conference of Catholic Bishops’ (USCCB) pastoral letter, *Stewardship: A Disciple’s Response*, which adopted his terminology and theological vision. Msgr. McGread’s approach to stewardship was that it is a spiritual, biblically-based principle that begins with conversion of heart and translates into a lifestyle of service.

His message was so compelling that he was invited to speak at parishes and dioceses across the country, and he also was the keynote speaker at several ICSC conferences. In addition, Msgr. McGread was a part of our team at Catholic Stewardship Consultants from 2002 up until his passing in April 2013.

While Msgr. McGread is no longer with us in body, he remains with us in spirit, and his stewardship message lives on. Conference attendees will have the opportunity to view one of his presentations via large-screen video.
